SARAH NETBURN, United States Magistrate Judge:

On July 25, 2025, Defendants filed a letter seeking certain relief in connection with their damages inquest to which Plaintiff has not responded. ECF No. 98.

First, Defendants seek an order compelling certain discovery. Defendants seek relevant documents that Plaintiff allegedly saved on a hard drive and provided to his counsel. Defendants seek either a copy of the hard drive, or to have Plaintiff retain a vendor to perform a search using already agreed upon search terms. Plaintiff is ordered to produce the hard drive by August 6, 2025, provide by that same date proof that a vendor has been retained and instructed to perform the search, or explain why such relief is not warranted. Plaintiff is also ordered to appear for a deposition on a date to be scheduled immediately and to occur no later than September 19, 2025. Defendants shall file a letter confirming the agreed upon date by August 6, 2025.

Second, Plaintiff is ordered to pay the \$10,000 sanction ordered by the Court by no later than **August 15, 2025**. ECF No. 95. Failure to pay this sanction will result in the imposition of coercive measures.

Third, Defendants seek an extension of the deadline to file default papers. Defendants may file their Proposed Findings of Fact and Conclusions of Law by **October 6, 2025**. Plaintiff may file a response, if any, **30 days after service** of Defendants' submission.

Fourth, although not requested by the Defendants' letter, if the parties believe a settlement conference would be productive, they should immediately contact Courtroom Deputy Diljah Shaw at Diljah_Shaw@nysd.uscourts.gov.

SO ORDERED.
